VERSATILE AND MODULAR

Quality and safety

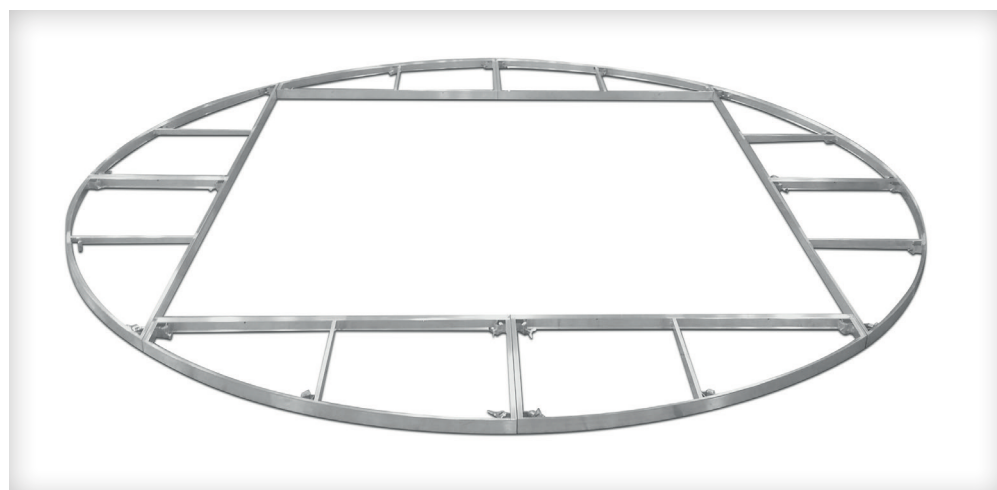

> With the **MOV'ON500** or **750**, create a show stage in line with the safety standards.

Versatile and modular, our modules are designed to **be mounted in a few minutes**, very easily fitting into the configuration of your indoor or outdoor environment, whatever the event.

You can design a custom-made mobile stage by **combining standard platforms** and modular elements of all sizes, either at **fixed or adjustable height**.

Particularly practical, the feet will help you assemble and disassemble your **stage, effortlessly**.

Our platforms come with accessories such as: stairs, guardrails, feet, stage skirts, etc. They are particularly used for speeches, product presentations, concerts, ball rooms, fairs, wine receptions, exhibitions, and much more.

A few words on our industry

Entertainment-oriented trademark of GUILLET SAS (Ltd.), mobile stage manufacturer since 1994, our *savoir-faire* never ceased to expand, providing clients with ever more guarantees and follow-up. With our labels and certificates of excellence, our industry today can assure you that you have chosen the best partner for your shows by delivering a rigorous, high-quality product.

Our company is ISO 9001, ISO3834-2 and EN1090-certified. This enables us to obtain authorisations for our mobile stages. By incorporating all skills into our factories, we can guarantee a high-quality product, full traceability for all elements, and provide you with complete satisfaction. We have European authorisation.
